Section 1 of ordinance 28-A does not specifically amend section 6 of the charter but withdraws certain powers by use of general terms; therefore, in order not to paraphrase section 6 by integration, the essence of section 1 of ordinance 28-A is set out in this footnote as follows:

"Strike from section 6 of said Act (basic charter) all the provisions giving the control and management of the public roads and streets within the City to Hamilton County. That this section be further amended so as to provide that the control, management, construction and maintenance of the roads and streets within the City be vested in the City with full authority to appropriate funds and to enter into all necessary contracts and commitments for such purposes as may be deemed necessary by the City Council."
