Dear Ms. Qualls:

The City of East Ridge Administration Department has received the following grant, Multi Model Assess Grant PIN # 150077.00. Five foot side walk on north Ringgold Road and Ten foot Multimodal path on South Ringgold Road. As part of the contractual agreement, any entity receiving federal assistance from the Tennessee Department of Transportation (TDOT) must comply with Title VI of the Civil Rights Act of 1964.

According to our records, the necessary information to support your commitment to ensure non-discrimination for the TDOT funded grants has been provided by your agency. The City of East Ridge Administration Department was found to be in compliance with Title VI per its TDOT assessment on June 1, 2016.

Your Title VI determination is now good for (3) years provided there have been no changes to your Title VI program or the Title VI Coordinator. The June 2016 Title VI compliance determination is valid through June 2019. The "No Change" Affidavit and Assurance statement is required to be submitted annually to maintain your Title VI Compliance and will be due June 2017.

If you require further assistance, please contact Kelsey Finch at 865-594-4581. Thank you for your efforts.

Sincerely

Cynthia Howard
Title VI Program Director
