The East Ridge Sanitation Department will pick up recycling materials in the provided can labeled "Recycling Only." The pickup day for recycling materials is Friday, unless otherwise stated.

I will only put the approved recycling materials in the recycling can. I understand that this pickup day can change due to holidays, operation of equipment, etc. I further understand that if I use the recycling can for trash or any purpose other than recycling, the City will pick up my can and I will no longer be eligible to participate in the Recycling Program.
