11-701. Intent and findings. Graffiti on public and private property is a blighting factor which deteriorates property and also depreciates the value of the property and the value of the adjacent and surrounding properties. The City Council of the City of East Ridge concurs with the findings of the general assembly of the State of Tennessee related to graffiti. It is the city council's intent to provide for the prohibition of the placement of graffiti on public and private property as herein set forth. Graffiti is inconsistent with the city's aesthetic standards and goals, and unless it is quickly removed from public and private properties, other adjacent properties will become the target of graffiti. The existence of graffiti tends to breed community discontent and criminal activity. The prompt removal of graffiti is necessary to prevent its proliferation. While the property and its owner or possessor is a victim of the graffiti, it is always the duty of the property owner or possessor to remove graffiti as soon as reasonably possible. To assist in preventing and controlling the further spread of graffiti, city council authorizes the use of city funds and the establishing of a partnership with the community to remove graffiti on public and private property as set forth herein and as provided in accordance with Tennessee Code Annotated, § 6-54-127. (as added by Ord. #876, May 2010)

11-702. Declaration of public nuisance. For the purpose of promoting the public safety, health, welfare, convenience and enjoyment, to protect the public investment in public property, and to preserve and enhance the scenic beauty of property visible from publicly owned property, the City Council of the City of East Ridge finds and declares that graffiti constitutes a public nuisance that may be abated and curtailed in accordance with the laws of this state. (as added by Ord. #876, May 2010)

11-703. Terms defined. (3) It shall be unlawful for the owner and/or occupant of fixed real or personal property located within the public view to place or give permission to place graffiti, as defined herein, on said real or personal property if the graffiti tends to incite violence by referring to gang or criminal activity, depicts or expresses obscenity as defined by Tennessee Code Annotated, § 39-17-901 or contains defamatory material about a public or private person, except as otherwise allowed by law. (as added by Ord. #876, May 2010)

11-705. Removal of graffiti. It shall be unlawful for any person owning property, acting as manager or agent for the owner of property, or in possession or control of property to fail to remove or effectively obscure any graffiti upon such property. (as added by Ord. #876, May 2010)

11-706. Notice to owner, possessor of property. (1) In the event that the police department finds that graffiti exists, the chief of police or his designee, shall mail or deliver a written order to the owner and possessor of the subject real property, addressed to the owner's last known address and to the property address. (4) A property owner, occupant, or lessee may appeal the order to remove the graffiti by filing a written appeal with the city manager before the expiration of the four (4) day time period. Unless resolved otherwise, the city manager shall place the appeal for consideration by the city council at the next regularly scheduled city council meeting. (as added by Ord. #876, May 2010)

11-707. Authorization to use municipal funds. The municipality may use municipal funds to remove graffiti or other inscribed material from publicly owned real or personal property or privately owned real or personal property visible from publicly owned property and located within the City of East Ridge and to replace or repair publicly owned property or privately owned property visible from publicly owned property within the City of East Ridge that has been defaced with graffiti or other inscribed material. The city manager, or his designee, may authorize the use of municipal funds for the purposes described herein in an amount up to dollars. (Expenditure of amounts in excess of _____ dollars (\$_____) shall be submitted for city council approval. (as added by Ord. #876, May 2010)

11-708. Authorization for the municipality to remove graffiti. The municipality may remove graffiti or other inscribed material, or if the graffiti or other inscribed material cannot be removed cost-effectively, repair or replace that portion of the property that was defaced, but the municipality may not paint, repair, or replace other parts of the property that were not defaced by

11-710. Reimbursement to municipality. In the event the person or persons responsible for the graffiti are convicted and the court orders the offender(s) to pay restitution for the cost of the clean up, and the city has expended funds to remove the graffiti, the restitution shall be directed to the city as reimbursement for the cost of the clean up. The determination of the reward shall be made by the chief of police or his designee. (as added by Ord. #876, May 2010)

Each day that a violation continues shall be deemed a separate offense and punishable as such. (as added by Ord. #876, May 2010)
